Otter's own gift of.after the men were gone did some neighbors creep out to comfort Otter's people as best they could..It may be that Segoy is or was one of the Old Powers of the Earth. It may be that Segoy is a name for the Earth itself. Some think all dragons, or certain dragons, or certain people, are manifestations of Segoy. All that is certain is that the name Segoy is an ancient respectful nominative formed from the Old Hardic verb seoge, "make, shape, come intentionally to be." From the same root comes the noun esege, "creative force, breath, poetry..".He only taught me names..".They call this the Otter's House," he said. "Very old. As old as the Great House. I think I'll go..".He was gone several days. When he returned, riding in a horse-drawn cart, he had such a look about him that Otter's sister hurried in to tell him, "Hound's won a battle or a fortune! He's riding behind a city horse, in a city cart, like a prince!".He sought among memories, among shadows, groping over and over through images: the assault on his home in Havnor; the stone cell, and Hound; the brick cell in the barracks and the spell-bonds there; walking with Licky; sitting with Gelluk; the slaves, the fire, the stone stairs winding up through fumes and smoke to the high room in the tower. He had to regain it all, to go through it all, searching. Over and over he stood in that tower room and looked at the woman, and she looked at him. Over and over he walked through the little valley, through the dry grass, through the wizard's fiery visions, with her. Over and over he saw the wizard fall, saw the earth close. He saw the red ridge of the mountain in the dawn. Anieb died while he held her, her ruined face against his arm. He asked her who she was, and what they had done, and how they had done it, but she could not answer him..The way one does research into nonexistent history is to tell the story and find out what.study with him because it might be dangerous not to. She returned after some time lugging a heavy bucket, and set to sponging off the mare's leg. "Get the saddle off her," she said, and her tone held the unspoken, impatient, "you fool!" Ivory obeyed, half-annoyed by this crude giantess and half-intrigued. She did not put him in mind of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare submitted to her absolutely. When she said, "Move your foot!" the mare moved her foot. The woman wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water four or five times a day, it'll heal clean, I'm sorry." She said the last honestly, though grudgingly, as if she still wondered how he could have let his mare stand there to be assaulted, and she looked straight at him for the first time. Her eyes were clear orange-brown, like dark topaz or amber. They were strange eyes, right on a level with his own..routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he.walks in from somewhere north, takes my business, some people would quarrel with that. A quarrel.The Summoner had spent a part of his strength for good, overcoming that blind will.
