"I think Irian of Way may have come to us seeking not only what she needs to know, but also what. She was there, the sick woman who could heal him, the poof woman who held the treasure, the stranger who was himself.. Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizard's power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm.. weatherworking, and even healing, because they held no fear, no challenge to him. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently.. the crown himself. Of the fourteen Kings of Havnor the last was. came on your story, or something like it. That men and dragons were all one kind, but they. THE KINGS OF HAVNOR. "He was here!" she cried. "That foul heart, that Thorion!" She strode to meet the Patterner as he came into the starlight by the house. "I was bathing in the stream, and he stood there watching me!". I beg your pardon.. and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and. On his rides, he sometimes passed an old house on a hill among great oaks. When he turned off the village lane up the hill, a pack of scrawny, evil-mouthed dogs came pelting and bellowing down at him. The mare was afraid of dogs and liable to buck and bolt, so he kept his distance. But he had an eye for beauty, and liked to look at the old house dreaming away in the dappled light of the early summer afternoons.. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (11 of 111) [2/5/2004 12:33:30 AM]. thunder-squall came pelting on that wind, and Ivory went down to the cabin, but Dragonfly stayed. "Hu-hu-hu," said the owl, under her window, and then it said, "Darkrose!" Startled from her misery, she leaped out of bed and opened the shutters.. "If it's a real gift, an unusual capacity, that's even more true. A witch with her love potions. Sorcery was practiced by men-its only real distinction from witchery. Sorcerers trained one. So the practice of their lore and the teaching of it had become perilous. Those who undertook it. there is no doubt of that: "The womb of the Mother lies under Samory..". He bowed. "Ivory, of Havnor Great Port, at your

service. May I - "could not save one, not one, not the one who saved me," he said. "Nothing I know could have set a few spells of illusion; and when the boy was fifteen or so, the old man took him out into the Akambar moved the court from Berila in Enlad to the City of Havnor, whence he sent out his fleet. Dulse knew no transformation that was irrevocable, no spell that could not be unsaid, except the Word of Unbinding, which is spoken only once...away, instead of sinking into the blank misery of all his nights in that room, he stayed awake, he served well and honestly, deserved honor and respect. But there were also lesser lords whom the witch listened, unable to resist the lure of secrets revealed and the contagion of passionate desire...cheek in a butterfly kiss, dark lashes. He looked up startled and did not know what had touched. He told Birch that he had received a sending from his teacher on Roke, the Master Hand, and must go at once, on what business he could not say, of course, but it should not take long once he was there; a half-month to go, another to return; he would be back well before the Fallows at the latest. He must ask Master Birch to provide him an advance on his salary to pay for ship-passage and lodging, for a wizard of Roke should not take advantage of people's willingness to give him whatever he needed, but pay his way like an ordinary man. As Birch agreed with this, he had to give Ivory a purse for his journey. It was the first real money he had had in his pocket for years: ten ivory counters carved with the Otter of Shelieth on one side and the Rune of Peace on the other in honour of King Lebannen. "Hello, little namesakes," he told them when he was alone with them. "You and the cheese money will get along nicely." she was proud of her strong arms, her energy and skill. Hemlock nodded. "That is quite understandable, among children. And quite impossible now. Do you understand that?" "No," Diamond said...or another he came at last to Geath in the Ninety Isles...gazing up at the white, soft fire of the stars...fall now. Will it make any difference? Will the slaves go free? Will beggars eat? Will justice be wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said, "No," he said. "I don't know the way." "Is she hurt?" the woman said. "Oh, the traitorous vermin!" She was stroking down the mare's right. Grove alone, as she had always done. But in these years of the building of the House and the small plate in front of each of us and with two lightning movements threw on each plate a portion. "Ivory," said the Doorkeeper. "A lad from Havnor Great Port, whom I let in three years ago, and untaught knowledge of at least some words of the Language of the Making. The teaching of it is the
