"I was from the first batch to be created. There were a hundred of us. Leon -he's Adam's father--was another. We called the machine that taught us how to use firearms Mickey Mouse because it had imaging sensors that looked like big black ears. I shot a daskrend when I was six... or maybe less. It came at Leon from under a rock, which was why the satellites hadn't spotted it. He's still got a limp today from that." She emitted a soft chuckle. "Poor Leon. He reminds me of Lurch..".Chapter 2."Some grandmothers!" Terry exclaimed. "Did anybody see the news today? Some scientist or other thinks the Chironians could be building bombs. There was an interview with Kalens Wo. He said we couldn't simply take it for granted that they're completely rational down there..".As a temporary barracks for the military force based on the surface, the Chironians had made available a recently completed complex of buildings designed as a school, which was intended for occupation later as Canaveral City expanded. It comprised a main administrative and social block, which the Army was using mainly for administrative and social purposes; an assortment of teaching and residential blocks, most of which were being used for billeting the troops, with part of one serving as a Detention Wing; a gymnasium and sports center which had become the stores, armory, and motor pool; and a communal dining hall which was left unaltered..He went to the bed, leaned down to his sister, and kissed her damp cheek. If he had asked for water."Don't forget--a round of beers too," Colman reminded Sirocco. The girls whooped their approval..Maybe ordinary drivers, maybe not..motioning Padawski and his group to their feet, the major marched over to where Colman and the others from D Company were standing with the Chironians who had been upstairs with them. He had already taken their names and established that they had not witnessed the incident firsthand. "You guys are free to go," he informed them. "If there's a hearing, you might be called in to testify. If so, the appropriate people will contact you..".I've got two sisters you can't get in trouble with," Stanislaw offered..Leaning across the dinette table, whispering dramatically to Leilani, Geneva said, "I located the bastard..imitation of a claw, raked the air, and hissed..Gump, as nature made him..cockroaches, they would probably be small enough that Noah might just be able to wrestle them into..Colman groaned to himself. Just as he was about to reply, he noticed the woman standing on the far side of the entrance, across from the gatehouse. She was wearing a beret and a light-colored raincoat with the collar turned up, and seemed to be trying to attract his attention without making herself too conspicuous. "Oh, Jesus-" He looked at the two. "Look, I need a few minutes. Jay, stay right

there." He walked across to the woman and was almost face to face with her before he recognized Veronica, for once looking neither impish nor mischievous.
