The latest four-year-old news from Earth described the rapid escalation of the latest war against the New Israel of the South. Only this time the EAF was getting involved. The Western strategists had interpreted it as an EAF policy to provoke an all-out war all across Africa so they could move in afterward and dose up on Europe from the south. Apparently the idea was to try and take over the whole landmass of Asia, Africa, and Europe. Why did they want to take over the whole of Asia, Africa, and Europe? Colman didn't know. That was what went wrong with the Old Order. It let them climb too high, and they took over. And what happened? They dragged it down-civilization. Do you want to see that happen again?" Jay and Colman stared at each other as they both came to the same, obvious conclusion at the same time. "That's it," Jay murmured.. "If you mean systems of beliefs based, despite their superficial appearances to the contrary, on morbid obsessions with death, hatred, decay, dehumanization, and humiliation, then the answer to your question is no," she said, looking at Colman.
