Stretching out on the bed, he stared at the ceiling,

feeling useless..Spinning off the stool, the bun cap in one hand and the mustard dispenser clutched in the other, Junior surveyed the long narrow diner. Looking for the maniac cop. The dead maniac cop. He half expected to see Thomas Vanadium: head crusted in blood, face bashed to pulp, caked in quarry silt, and dripping water as though he'd climbed out of his Studebaker coffin just minutes ago..Celestina was amazed by her own courage in combat and by the steady calm that served her so well now. She wasn't shaken by the thought of what might have happened to her, and to her daughter, because her mind and her heart were with Wally-and because, having been watered with hope all of her life, she had a deep reservoir on which to draw in a time of drought..If he had been any other three-year-old, she would have told a compassionate lie. He was her miracle child, however, her prodigy, and he would know a lie for what it was..On the fourth floor, at Dr. Klerkle's suite, the hall door stood ajar. Past office hours, the small waiting room was deserted..He and the homicide detective had been friends for almost thirty years, since Max had been a uniformed rookie on the SFPD and Vanadium had been a young priest freshly assigned to St. Anselmo's Orphanage here in the city. Before choosing police work, Max had contemplated the priesthood, and perhaps back then he had sensed the cop-to-be in Tom Vanadium..Tom opened his empty hands and then filled one of them with his water glass. The rattling ice belied his calm face..pistol that he'd purchased in late June. The city operated a program to melt confiscated and donated weapons and to remake them into plowshares or xylophones, or into the metal fittings of hookah pipes..With remarkably little splash, the sedan eased into the water. Briefly it floated, bobbling near shore, tipped forward by the weight of the engine. As the lake flooded in through the floor vents, the vehicle settled steadily-then sank rapidly when water reached the two partially open windows.. "If I ever get there, I'll be back," she promised the gathered family. "Imagine how much we'll have to talk about. Maybe I'll even get some new pie recipes from Over There.."Junior strove to appear properly mortified. "Thought I heard something. Searched the apartment.."As he stepped out of the street, Don't Walk shortened to Walk, and when he checked for pursuit, he found it. Here came Vanadium, who would have been shivering in want of a topcoat if his flesh had been real.."In the early hours of January seventh," Nolly continued, "Miss White died in childbirth, as you figured.."At the midpoint of the table, directly under the chandelier, the flashing silvery disc turned through the air, turned, turned, turned out of this world into another..For a while, leaning forward in his chair and staring at the floor with an intensity and an expression that could not have been inspired by the insipid vinyl tiles, Tom mulled over what she'd told him. Then: "The connection is there, but it's still not entirely clear to me. So he took perverse pleasure in raping her with her father's sermon as accompaniment . . . and maybe without his realizing it, the reverend's message got deep inside his head. I wouldn't think our cowardly wife killer has the capacity for guilt ... although maybe your dad worked a sort of miracle and planted that very seed.."After carrying the two pieces of luggage to the car in the garage, he returned to the study. He sat at the desk and examined the contents of the drawers, then turned to the file cabinet..Gorging on fudge cake and coffee to guard against a spontaneous lapse into meditative catatonia, Junior manfully admitted that he had been weak, that he had reacted to the unknown with fear and retreat instead of with bold confrontation. Because each of us can trust no one in this world but himself, self-deceit is dangerous. He liked himself better for this frank admission of weakness..Junior would have liked to pursue spiritual matters with Sklent, but numerous other partyers wanted their time with the great man. In parting, sure that he would give the artist a laugh, Junior withdrew the brochure for "This Momentous Day" from his jacket and coyly asked for an opinion of Celestina White's paintings.."It's chilly and foggy and late, and there might be villains afoot at this hour," he intoned with mock gravity. "The two of you are Lipscomb women now, or soon will be, and Lipscomb women never go unescorted through the dangerous urban night.."Junior knew that he looked as guilty as any man had ever looked this side of the first apple and the perfect garden. The sweating, the spasms of violent tremors, the defensive note that he could not keep out of his voice, the inability to look anyone directly in the eyes for more than a few seconds-all were telltales that none of these professionals would overlook. He desperately needed to get a grip on himself, but he couldn't find a handle..Vanadium understood the depth of his old friend's pain, and he knew that the anguish over the loss of a child could make the best of men act out of emotion rather than good judgment, and so he accepted Harrison's preference to let the matter rest. When enough time passed for reflection, what Vanadium ultimately decided was that of the two of them, Harrison was much the stronger in his faith, and that he himself, perhaps for the rest of his life, would be more comfortable behind a badge than behind a Roman collar..Overlaying the birthmark were brighter stains. The plain face, less homely now, was less flat, too, pocked and torn into a new and horrendous geography..Celestina said, "Phimie wasn't a mind reader. That's science fiction, Dr. Lipscomb.."His waitress was a cutie. She flirted with him, and he knew he could have her if he wanted..The sudden change of subject, from the airliner crash to Phimie, confused Celestina..Junior took two steps toward him, sighting the gun on his face. "Why should I be afraid of a stumbling blind boy no bigger than a midget?" "Well, you ought to be," Grace said, taking her pies out to the Suburban that Wally had bought solely for this enterprise..Since the cops believed that Junior accidentally shot himself while searching for a nonexistent burglar, he was already in their book as an idiot. If he tried to explain how Vanadium had tormented him with the quarter, and how a quarter turned up, of all places, in his cheeseburger, they would figure him for a hopeless hysteric..He didn't wonder about his sanity, either, as a less self-improved man might have done. No madman strives to enhance his vocabulary or to deepen his appreciation for culture.."When you called earlier in the year, to ask for a referral to a private investigator down there, the woman had recently turned up dead and Vanadium was gone, but no one put the two together at first.."Again he fired into the lock, squeezed the trigger a second time, and discovered that no rounds remained in the magazine. Extra cartridges were distributed in his pockets..The slow-motion death ballet, in which Bonnie and Clyde were riddled with bullets, was the worst moment Junior had ever heard in a film. He didn't see more than a brief glimpse of it, because he sat with his eyes squeezed shut. Nine days previously, at Google's instructions, Junior had rented boxes at two mail-receiving services, using the name John Pinchbeck at one, Richard Gammoner at the other, and then he had supplied those addresses to the papermaker. These were the two identities for which Google ultimately provided elaborate and convincing documentation..For a moment, Junior drew a blank on Renee. Reluctantly, he trolled the past and fished up the painful memory: the gorgeous transvestite in the Chanel suit, heir or heiress to an industrial-valve fortune..Three times, Mary vanished, and three times she reappeared, before she led the bamboozled Koko to her mother and father. "Neat, huh?" "D'you have a bag?" If her beautiful son was to be a prodigy of any kind, she would thank God for his talent and would do anything she could to help him achieve his destiny..Later, at home in bed, after Nolly proved the value of oysters, he and Kathleen lay holding hands. Following a companionable silence, he said, "It's a mystery.."I know what you're thinking," her mother said, reaching across the table and placing one hand over Celestina's. "I know how useless you feel, how helpless, how small, but you must remember this . . ." "It's not a specific

brand you can't have, it's the whole idea of a candy bar." "Oh, my Lord," Chicane groaned as he and Sparky half carried Junior into the bathroom. Flush with the promise of their engagement, still excited by the success at the gallery, with Angel exuberant in spite of the hour and Oreo energized, he was amazed that they had made the transfer of the little red whirlwind from house to Buick to house with nothing else forgotten other than one purse. Celie called it ballet, but Wally thought that it was merely momentary order in chaos, the challenging-joyous-frustrating-delightful-exhilarating chaos of a life full of hope and love and children, which he wouldn't have traded for calm or kingdoms. In the bedroom, as he opened a suitcase on the bed, he saw the quarter. Shiny. Heads-up. On the nightstand. Requests for permission to make copies of any part of the work should be mailed to the following address. Phimie must be honored now with laughter instead of with tears, because her life had left Celestina with so many memories of joy and with joy personified in Angel. To fend off tears, she said, "Listen, Clark Kent, we women need our little secrets, our private thoughts. If you can really read my heart this easily, I guess I'm going to have to start wearing lead brassieres." Perhaps the paramedic had given him an injection, a sedative. The howling ambulance rocked along on this most momentous day, Junior Cain wept profoundly but quietly--and achieved temporary peace in a dreamless sleep. "I've seen them," Tom assured her. "My dear, you've never smelled anything better than a field full of bacon vines." Luck favored Paul: The hero was here, having breakfast. He and two other men were deep in conversation at a corner table. Agnes's sharp intake of breath caused Edom to look up from his nephew's name. Pale, she was, her eyes as haunted as old mansions. She could see now what she hadn't seen when running with him through the cemetery, because she was looking directly at him. Yet even seeing did not make it easy to believe. As though the blush were transmitted by a virus, Junior caught the primrose-pink contagion from the pianist. Finished, Joshua excused himself and went down the hall to his office. He was gone perhaps five minutes, and when he returned, he sent Barty off to the waiting room, where the receptionist kept a jar of lemon- and orange-flavored hard candies. "A few of them have your name on 'em, Bartholomew." After the amusement park, no hospital for the Pie Lady. With Wally near, she had a doctor all her own, capable of giving her the anticancer drugs and transfusions that she required. While radiation therapy is prescribed for acute lymphoblastic leukemia, it is much less useful to treat myeloblastic cases, and in this instance, it wasn't deemed helpful, which made treatment at home even easier. Although the piano was at some distance and the restaurant was a little noisy, Kathleen recognized the tune at once. She looked up from her veal, her eyes full of merriment. This Monday morning in Oregon was bleak, with the swollen, dark bellies of rain clouds swagging low over the cemetery, a dreary send-off for Naomi, even though rain was not yet falling. Rescuers encouraged her to move safely away from the passenger's door, as far as possible, to avoid being inadvertently injured as they tried to break in to her. She could go nowhere but to her dead husband. Agnes met them, pulling Grace and Angel to her side. Her eyes were bright with excitement. "Tom, you're a man of faith, even if you've sometimes been troubled in it. Tell me what you make of all this." The upper shelf of the closet held boxes and two inexpensive suitcases: pressboard laminated with green vinyl. He took down the suitcases and put them on the bed. Junior wanted to kill her. Kill him. Whatever. But he sensed that Renee knew more than a little about dirty fighting and that the outcome of a violent confrontation would not be easy to predict. Delighted to be dating someone who lived neck-deep in culture especially after two months with Tammy Bean, the money maiden. Junior was surprised that he didn't score with Frieda on the first date. He was usually irresistible even to women who weren't sluts. The boy wasn't translucent, as his father's ghost had been on that drizzly January night almost three years ago. The same drowned light of this gray afternoon that revealed the gravestones and the dripping. Awed, dropping to one knee before Barty, Tom fingered the sleeve of the boy's shirt. Frustrated on many levels, Junior hurried to a parking lot one block from the detective's office, where he'd left his new Chevrolet Impala convertible. This Chinese-red machine was even more beautiful when wet with rain than it had looked polished and pristine on the showroom floor. In his mind, he carried a blueprint of the house more precisely drawn than anything that might have been prepared by an architect. He knew the place to the inch, and he adjusted his pace and all his mental calculations every month to compensate for his steady growth. So many paces from here to there. Every turn and every peculiarity of the floor plan committed indelibly to memory. A journey like this was a complicated mathematical problem, but being a math prodigy, he moved through his home almost as easily as when he had enjoyed sight. By telephone, he had been prepared for this boy. Strange as it was to find a Bartholomew in their lives, given Enoch Cain's peculiar obsession, Tom nonetheless agreed with Celestina that the wife killer could have no way to know about this child--and could certainly have no logical reason to fear him. The only thing they had in common was Harrison White's sermon, which had inspired this boy's name and might have planted the seed of guilt in Cain's mind. In the instant that Junior had shoved Naomi into the rotted railing, he had foreseen this visit from Rudy, Sheena, and Kaitlin. He'd known he could pretend to be offended at the state's offer to put a price on his loss, could feign revulsion, could resist convincingly--until gradually, after grueling days or weeks, he reluctantly allowed the indefatigable. "So where he threw the quarter," Barty said, as Angel listened intently and nodded her head, "wasn't really into Gunsmoke, 'cause that's not a place, it's just a show. See, maybe he threw it into a place where I'm not blind, or into a place where he doesn't have that messed-up face, or a place where for some reason you never came here today. There's more places than anybody could ever count, even me, and I can count pretty good. That's what you feel, right--all the ways things are?" Barty wanted to hug her. He did hug her. He hugged Angel, too. He hugged Tom Vanadium. When he reported for a physical and a reassessment of his draft classification, on Wednesday, December 15, he left the insert in his hitching shoe; however, he limped like old Walter Brennan, the actor, hitching around the ranch in The Real McCoys. Dressed entirely in a shade of pink that darkened to rouge when wet, Angel squealed and deserted Barty. Spotted-streaked-splashed, with false tears on her cheeks, with a darkly glimmering crown of rain jewels in her hair, she raced up the steps as though she were a princess abandoned by her coachman, and allowed herself to be scooped into her grandmother's arms. He'd listened to the message and thought it incomprehensible, of no import. Suddenly, tardy intuition told him that it could not have been any more important to him if it had been dead Naomi calling from beyond the grave to leave testimony for the detective. "You look very, very handsome this morning, Mr. Barty," squeaked Pixie Lee, who was something of a flirt. "You look like a big movie star. Vanadium clearly spent a lot of time in the kitchen; it was the only room in the house that felt comfortable and lived-in. Lots of culinary gadgets, appliances. Pots and pans hanging from a ceiling rack. A basket of onions, another of potatoes. A grouping of bottles with colorful labels proved to be a collection of olive oils. Turning away from the window, Celestina grabbed the girl and pushed her toward the bed, whispering, "Down, under." In the living room, he removed a decorative pillow from the sofa. He carried it into the foyer. He didn't know what he was looking for. He simply felt empowered to be the one conducting the surveillance for a change. Although the small tin-and-plastic harmonica was

more toy than genuine instrument, the boy blew and siphoned surprisingly complex music from it. As far as Apes could tell, he never hit a sour tone..As a recreational site, Quarry Lake could be judged only a partial success. During the mining operation, trees were cleared well back from the edge of the dig, so that much of the shore would be unshaded on a hot summer day. And along half the strand, signs were posted warning Ungraded Shore: Immediate Deep Water. In places, where lake met land, the bottom lay over a hundred feet below.. "As I explained, he might have thought I was you," Edom said, staring at the neatly ordered volumes on the nearby bookshelves..Routinely she dreamed of Joey. Not nightmares. No blood, no reliving of the horror. In her dreams, she was on a picnic with Joey or at a carnival with him. Walking a beach. Watching a movie. A warmth pervaded these scenes, an aura of companionship, love. Except eventually she always glanced away from Joey, and when she looked again, he was gone, and she knew that he was gone forever..In spite of her nature, Agnes could not find forgiveness in her heart this time. Words of absolution clotted in her throat. Her bitterness dismayed her, but she could not deny it..This Detroit-built gondola would swiftly navigate the Styx without a black-robed gondolier to pole it onward..But she knew. Barty, buoyant as ever, seemed not to be much worried about the problem with his vision. He appeared to expect that it would pass like any sneezing fit or cold..Unable to continue Tehanu's story (because it hadn't happened yet) and foolishly assuming that the story of Ged and Tenar had reached its happily-ever-after, I gave the book a subtitle: "The Last Book of Earthsea." MONDAY EVENING, January 15, Paul Damascus arrived at the hotel in San Francisco with Grace White. He had kept watch over her in Spruce Hills for more than two days, sleeping on the floor in the hall outside her room both nights, remaining close by her side when she was in public. They stayed with friends of hers until Harrison's funeral this morning, then flew south for a reunion of mother and daughter..buttery sunshine, and emerald-black where the shadows of limbs and leaves overlay it. Fat crows as black as..The boy-wonder physician turned to Junior again and assumed an expression of compassion so inauthentic that if he'd been playing a doctor on even the cheesiest daytime soap opera, he'd have been stripped of his actor's-union card, fired, and possibly horsewhipped on a live television special. "We'll be doing the procedure this afternoon, so I wouldn't want to give you anything much for the pain just prior to anesthesia and sedation. But don't you worry, Mr. Pinchbeck. Once we've lanced these boils, when you wake up, ninety percent of the pain will be gone..".That every mortal semblance took..By now, Junior realized that he had been locked in a meditative trance for at least eighteen hours. He had settled into the lotus position at five o'clock Monday afternoon-and Bob Chicane had shown up or their regular instruction session at eleven Tuesday morning..Moving out of the doorway, into the bedroom, he said, "What book would that be?"
