master, the detective Nick. Jay looked worried, and Bernard appalled. "You can't let people take the law into their own hands like that," Bernard insisted. "Unchecked violence--mob rule--God alone-- knows what else. It's plain uncivilized--barbaric. You're going to have to change the system sooner or later." "Just don't you stray from here," the driving machine warns. He tugs on the bill of his green cap, the way. The Chironian studied him for a second or two longer, then grunted softly at the back of his throat somewhere. "We didn't do that," he said. "After we told 'em they were cooped up, some of 'em started shooting. Five of 'em tried making a break, holding a white shirt up to tell us they wanted out. We held back, but a couple of the others gunned 'em down from behind while they were running. She was one of those five." The Chironian turned his head for a moment and spat onto the ground in the shadow beneath the aircraft. "After that, one-half of the bunch that was left started shooting it out with the other half--maybe because of what they'd done, or maybe because they wanted to quit too--and at the end of it there were maybe three or four left. We hadn't done a thing. Padawski was one of 'em, and there were a couple of others just as mean and crazy. Didn't leave us with too much of a problem." Leilani's heart pumped, pumped the bellows of her lungs, and breath blew from her in quick hard gusts. Noah raised his eyebrows. "What? "No ..." he said slowly at last. "We're on our own on a grain of dust somewhere in a gas of galaxies. Inventing guardian angels for company won't change it. Whether we make it or not is up to us. If we mess it up, the universe out there won't miss us." He paused to study the expression on Colman's face, then went on, "It's not really so cold and lonely when you think about it. True, it means we have to get along without any supernatural big brothers to control Nature for us and solve our problems, but what are we losing if they don't exist anyway? On the other hand, we don't have to fear all the nonsense that gets invented along with them either. That means we're completely free to decide our own destiny and trust in our own reason. To me that's not such a bad feeling." Chapter 1. "No offense taken," Noah said. "No sane person ought to have confidence in a guy whose business.
