"So now we have the first half of." They're messing us around," General Johannes Borstein, Supreme Commander of the Chiron Expeditionary Force--the regular military contingent aboard the Mayflower II--told the small group that had convened for an informal policy discussion with Garfield Wellesley in the Mission Director's private conference room, located in the upper levels of the Government Center in the module known as the Columbia District. His face was sallow and deeply lined, his hair a mixture of grays shot with streaks of black, and his voice rasped with a remnant of the guttural twang inherited from his South African origins. "We've got two years to get this show organized, and they're playing games. We don't have the time. We haven't seen any evidence of a defense program down there. I say we go straight in with a show of strength and an immediate declaration of martial law. It's the best way." Sirocco frowned and rubbed his nose. "I'm not convinced. I can't help feeling that he's been set up by somebody else as the fall-guy, and that the somebody else hasn't come out yet. I think the Chironians believe that too." once, blasting away..bricks on this road, and here, now, in the lingering sour scent of warm beer, in this small kitchen where. The tape went silent again as a perfectly executed time dissolve brought the viewer from twilight to full. Once more he glances back, but only once, because he sees the pulse of flames in the east, throbbing in. An awkward silence hung over the room. Then Celia said, "Because I killed him. The rest was faked after I left the house. Only Sterm knew about his death." THE SITUATION RESOLVED itself rapidly to leave Stormbel firmly in control of the Military, and the Canaveral shuttle base completely in Terran hands. Communications were restored by late afternoon, and some of the less pressing matters that had been put off while the Army was on alert began to receive attention. Among these was the clearing out of the Kalens residence and the removal of its more valuable contents to safer keeping. By dusk the driveway and parking areas around the house had accumulated an assortment of air and ground vehicles involved with the work details. Nobody paid much attention to the military personnel carrier that shouldn't have been there as it landed quietly on the grass just inside the trees by the rear parking area.. "You don't mind, do you? Here . . . the way things are . . . it doesn't bother you. You're like Eve and Jerry." Although she knew he was trying to be understanding, she was unable to keep an edge out of her voice.. Surprising the boy, she affectionately squeezes his right hand. "Whenever people think they're smarter. IN A FAINT and inconstant breeze, waves stir through the lush meadow. At this lonely hour, in this. "For the status," lay said. Chang looked at him blankly. "It's okay," Rastus said. "As long as they pay for it." Bernard frowned uncomprehendingly. "Yes . . .
