Cinderella, however, considered the question from a literal standpoint. "Well," she said, "we haven't ever really talked together, not seriously, but you certainly ought to have a license." She was nothing if not honest. In the succeeding mornings, if I ran too slowly, she simply left me. An aeon went by. There was no sound except the whistling of the. "It's just a whole new area," McKillian whispered back. "Think about it. Back on Earth, nature never got around to inventing the wheel. I've sometimes wondered why not. There are limitations, of course, but it's such a good idea. Just look what we've done with it. But all motion in nature is confined to up and down, back and forth, in and out, or squeeze and relax. Nothing on Earth goes round and round, unless we built it. Think about it." "That's all right. Do you feel better now?" Mary Lang let it work itself out, only interfering when it got violent. She herself was not immune to the frenzy but managed to stay aloof from most of it. She went to the shelter with whoever asked her, trying not to play favorites, and gently tried to prod them back to work.
