His face was a warrior's face, but when he looked into the trees it was softened, yearning..Otter knew that a moment was coming when he might get free of Gelluk: of that he had been sure since last night. He knew also that in that same moment he might defeat Gelluk, disempower him, if the wizard, driven by his visions, forgot to guard himself-and if Otter could learn his name.."I asked you not to," he said, "and it's not my need I spoke of. I talk enough for two. Never.But a year or so later he saw Diamond out in the back garden with his playmate Rose. The children were squatting on their haunches, heads close together, laughing. Something intense or uncanny about them made him pause at the window on the stairs landing and watch them. A thing between them was leaping up and down, a frog? a toad? a big cricket? He went out into the garden and came up near them, moving so quietly, though he was a big man, that they in their absorption did not hear him. The thing that was hopping up and down on the grass between their bare toes was a rock. When Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the rock hovered in the air, and when he flipped his fingers downward it fell to earth..few years their struggles had destroyed all central governance. "He said to me that there are certain natural gifts."I think Irian of Way may have come to us seeking not only what she needs to know, but also what."He was only a child, and the wizards of that household can't have been wise men, for they used little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of stone, until they thought him tamed. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and was quieter when he was with the horses. But he quarreled with a stable boy, and turned the poor lad into a lump of dung. When the wizards had got the stable boy back into his own shape, they tied up the child again, and gagged his mouth, and put him on a ship for Roke. They thought maybe the Masters there could tame him."."Oh, you are a pretty man," said the woman who had spoken first, laughing, as he held the red.knowledge. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was."Don't be angry," I said, emptying the cup, and poured myself another one..Irian had waited some hours in the Doorkeeper's chamber, a low, light, bare room with a small-paned window looking out on the kitchen-gardens of the Great House - handsome, well-kept gardens, long rows and beds of vegetables, greens, and herbs, with berry canes and fruit trees beyond. She saw a burly, dark-skinned man and two boys come out and weed one of the vegetable plots. It eased her mind to watch their careful work. She wished she could help them at it. The waiting and the strangeness were very difficult. Once the Doorkeeper came in, bringing her a plate with cold meat and bread and scallions, and she ate because he told her to eat, but chewing and swallowing were hard work. The gardeners went away and there was nothing to watch out
