Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute. "My father," he began, and stopped, and gave a kind of laugh. "I don't know. I'm after bigger prey." .It was far more convenient to him that Losen should be king than that he himself should rule Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what a mage's powers, unless he was as mighty as the Enemy of Morred, he couldn't hold armies and fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing and obeying Losen, an old habit now, and well learned. They credited him with the powers he had had of bold strategy, firm leadership, and utter

cruelty; and they credited him with powers he had never had, such as mastery over the wizards who served him.. "In my judgment, you do," he said..with an attenuated bluish light -- elevators. The one I approached was already on its way up;.Chanter urged them on. They'll be along soon.".Gelluk watched him with his inquisitive, affectionate look, and when Otter stood up, wincing and gasping, the wizard asked gently, "Are you afraid of the King?"
